The Humboldt-Toiyabe National Forest, Carson Ranger District, is requesting comments on a proposal from Mt. Rose Ski Area to expand its lift and terrain network. The project area is located on both private and National Forest System (NFS) lands within Washoe County, Nevada, just a short drive from south Reno.

The project has been designed to provide additional terrain that is comfortable and appropriate for beginning skiers and riders and to provide a consistent and quality snow surface on key ski terrain throughout the season.

The project scoping notice and maps can be at downloaded at [http://www.fs.fed.us/nepa/nepa\\_project\\_exp.php?project=41487](http://www.fs.fed.us/nepa/nepa_project_exp.php?project=41487). Electronic comments may be submitted by selecting the "Comment on this Project" link.

Two public open houses will be held from 4 to 6 p.m. for this proposal:

**June 19** Humboldt-Toiyabe National Forest Supervisors Office
